

BED LINENS

BEDMAKING MADE QUICK AND EASY

TOP SHEETS

"ULTRA KNIT & SLEEP KNIT"

FEATURES & BENEFITS:

- Quality, soft, fabric promotes patient comfort and product durability (Available in cotton/poly. blend and **Ultra Knit** fabric)
- Unique semi-contour design facilitates bed making and ensures that semi-fitted sheets remain tucked in
- Patented **Foot-Ease** feature offers additional foot room and relieves pressure off feet
- Elastic-free construction allows for additional durability

PILLOWCASES

"ULTRA KNIT AND SLEEP KNIT"

FEATURES & BENEFITS:

- Cotton/polyester and **Ultra Knit** fabrics provide smooth comfort, resulting in well-rested patients
- SK10P/TU, SK1019P/TU and SK1019P/TU/BL knit styles feature an innovative tubular design; the seam-free construction prevents skin irritation
- Knit styles possess stain-release properties, reducing costly re-laundering
